2008 MERLOT

\$28.00

Columbia Valley
85% Merlot, 15% Cabernet Sauvignon
55 Cases produced

The bouquet has hints of flowers in a sea of dark cherries, spices and chocolate with a hint of espresso. The rich violet color hints at the aging abilities of the wine. This is a perfectly balanced wine with just enough acids and tannins. It's as rich as a cab, yet you could serve it with more food choices than a cab, even some seafood and poultry dishes. This wine will age for at least a decade.

2008 CONSENSIO

\$34.00

Columbia Valley - 58% Cabernet Sauvignon,
27% Merlot 10% Cab Franc 5% Malbec
180 Cases produced

This Cabernet focused blend is a big, full bodied wine. Its color is dark violet and the taste is powerfully rich with subtle hints of complex layers that will continue to reveal themselves as the wine ages. The bouquet hints of spice and mocha mixed with dark cherries, fresh blueberries and plums. The addition of Merlot provides a nice silkiness and the Cab Franc lends complex nuances that are all held together by taut tannins for an extended finish.
